*Flight training may be paid at each flight, lesson by lesson, or students may purchase the Flight Training Course at a discounted price. This flight-training course meets FAA (Federal Aviation Administration) Part 61 training requirements for Private Pilot Certification. The Pre-Paid Flight Training Courses are packaged to include the **minimum** FAA requirements for the applicable Certificate or Rating.

**The above Flight Training Course is an estimate only, based on average student preparation and learning ability, consistent training in a timely manner to completion. Aircraft flight time/hours and Flight Instructor time/hours required to earn a certificate or rating are not guaranteed. Any additional aircraft flight time/hours and/or Flight Instructor time/hours to complete the course will be paid by the student separate from this course package at the prevailing rates. Purchase of a Flight Training Program includes price guarantees for Aircraft Rates and Instructor Rates for a term of 4 months.
