*Flight training may be paid at each flight, lesson by lesson, or students may purchase the Flight Training Course at a discounted price. This flight-training course meets FAA (Federal Aviation Administration) Part 61 training requirements for Private Pilot Certification. The Pre-Paid Flight Training Courses are packaged to include the minimum FAA requirements for the applicable Certificate or Rating.

The above Flight Training Course is an estimate only, based on average student preparation and learning ability, consistent training in a timely manner to completion. Aircraft flight time/hours and Flight Instructor time/hours required to earn a certificate or rating **are not guaranteed. Any additional aircraft flight time/hours and/or Flight Instructor time/hours to complete the course will be paid by the student separate from this course package at the prevailing rates. Purchase of a Flight Training Program includes price guarantees for Aircraft Rates and Instructor Rates for a term of 4 months. (Rev. 8/28/08)
